Professional Summary

Front-End Developer with 1.5+ years of hands-on experience in building responsive, user-focused web applications using **Angular, HTML, CSS, JavaScript, and TypeScript**. Skilled in **Node.js** and **Express.js** for backend integration and **RESTful API** development. Strong understanding of **UI/UX principles, component based architecture**, and modern CSS frameworks such as **Bootstrap and Tailwind**. and collaborating using **Git/GitHub**. Passionate about clean code, continuous learning, and delivering high-quality web solutions.

Education

Thebes Academy – B.Sc. in Information Systems | 2019 – 2022

Relevant Coursework: Databases, Programming, Networking, System Analysis, Software Development.

Grade: Good

Projects

E-Commerce Full-Stack Project – NTI MEAN Stack (2025)

- Developed a full-stack e-commerce platform using **Angular, Node.js, Express.js, and MongoDB** serving 20+ application features.
- Integrated 5+ **RESTful API** endpoints for authentication, product management, and full CRUD operations.
- Designed a responsive **UI** supporting 3+ device breakpoints and improved page performance.

E-Commerce Website – Route Academy Project (2024)

- Developed a complete front-end e-commerce application using **Angular, Tailwind, HTML, and CSS**.
- Implemented 10+ reusable **Angular** components including product listing and shopping cart features.
- Ensured full responsiveness across **mobile, tablet, and desktop** devices.

Clinic Management Application – Graduation Project (2022)

- Built a responsive front-end interface using **Angular, HTML, and CSS**.
 - Implemented 8+ reusable **UI** components with **Angular** routing and dynamic forms.
 - Improved usability and accessibility following **UI/UX** best practices.
-

Training

Training & Internship Experience

MEAN Stack Development Trainee – NTI (National Telecommunication Institute) | 10/2025 – 12/2025

- Completed intensive training in **MongoDB, Express.js, Angular, and Node.js**.
- Developed full-stack web applications using modern JavaScript and RESTful APIs.
- Designed and managed databases using MongoDB with proper data modeling.

Front-End Development Trainee – Route Academy | 02/2025 – 07/2025

- Developed user-centric web interfaces using **HTML, CSS, JavaScript (ES6+), and TypeScript**.
- Worked with **Angular, Tailwind, and Bootstrap** to deliver responsive designs.
- Used **Git and GitHub** for version control and team collaboration.

English Language Student – Armed Forces Language Institute | 01/2024 – 08/2024

- Achieved **Very Good** level in advanced English for technical and professional use.
- Improved written, verbal, and technical documentation skills in English.

Certifications

- Innov Egypt – NTI (2026)
- MEAN Stack Development – NTI (2025)
- Front-End Development – Route Academy (2025)
- English Language Certification – Armed Forces Language Institute (2024)

Technical Skills

- **Frontend:** HTML5, CSS3, SASS, JavaScript (ES6+), TypeScript
- **Frameworks & Libraries:** Angular, Bootstrap, Tailwind
- **Backend & Databases:** Node.js, Express.js, MongoDB
- **Tools:** Git, GitHub, VS Code
- **Concepts:** Responsive Design, RESTful APIs, Component-Based Architecture

Soft Skills

- Problem Solving
- Team Collaboration
- Communication Skills
- Time Management
- Attention to Detail
- Adaptability

Languages

- **Arabic:** Native
- **English:** Fluent
